# It's a jungle out there. But it's well lit.

Making your mark in the world won't be easy. But,  
at least, you'll always have the comforts in life  
provided by energy.

Use this vital resource wisely. And perhaps, even  
join SCE&G in our effort to find more efficient  
energy sources for the future.

Whatever you choose, accept our congratulations  
and best wishes on graduation.
