BARGAIN CHECKING

You don't have to be an economics major to know that there are better things to spend your money on than checking account service charges.

Well, good news. This fall you can sign up for Bargain Checking instead.

You'll pay no service charges. There's no minimum balance required. And there's no limit on the number of checks you can write. Plus, every month we'll send you an itemized monthly statement.

In fact, the only thing you won't get is a bunch of cancelled checks. (But in case you ever need one, we'll keep them safe at the bank.)

It's that simple. You keep the service charges. We keep the checks.

So why not make your money go a little further? Get some free student aid from South Carolina National. Get Bargain Checking.
