

DEDICATED TO THE ONE WE LOVE

Warm, caring, patient, loyal, understanding — These words can be used to describe our friend. He is always there to lend a helping hand. His smile is contagious. Although he has been at the Academy for only five years, we feel that we have known him for a lifetime.

He helps the campus look spiffy and the canteen smelling spicy. If these jobs are not enough, he serves as the girl's softball coach and helps with J.V. football.

He shares his loyalty, caring, and pride with the students and faculty at J.C.C.A. It is with much love and appreciation that the yearbook staff proudly dedicates the 1989 TALON to our friend Mr. Jim Harmon.

Mr. Harmon takes a break in the office to relax.

Mr. Harmon and Mrs. Beach are discussing the lunch schedule.

Always busy fixing things, Mr. Harmon goes to fix the lights.

Mr. Harmon seems to be enjoying some free time to himself.

On Thursday nights Mr. Harmon always helps the football team.
