SENIORS

FAREWELL

What is it like to be a senior? Graduation, privileges, superlatives, and college are all positive thoughts, but uncertainty and fear also come into the picture. We

have faced many obstacles in our final year at JCCA: the SAT, applying to colleges, AP courses, and Mrs. Linder's English class. Yet every moment at John C. will always be in our hearts.

We've watched ourselves grow and sadness enters our hearts as we realize that our time together at John C. is quickly slipping away. These years have been the best of our young lives and we will never forget them.

The next few years of our lives will be a test for us all because now is the time for us to prove to the world that we can stand on our own two feet. We will have to make decisions that will affect the rest of our lives. But we possess the potential and the stamina to make it. I know that we can turn all of our dreams into reality.

I remember when I came to John C. I was new — but you — the Class of 1990 — welcomed me and made me a part of your family. Friendship must come from the heart and that is where I will always hold you, my very special friends.

Love,
Sarah Nickel, Senior Class President
