

Days of our Lives

JCCA, This is your life! This section is dedicated to everything that students at John C. do when they are not at school. This includes pastimes, hobbies, and any other activities that occupy students' time.

Sometimes life is just like a soap opera around here. John C. has its own form of love stories and secrets. We also have plenty of rumors and treacherous plots. Of course these are all on a small scale compared to real soap operas, but they still make life very interesting for us.

Gossip and secrets are very abundant at JCCA. Students always want to know the latest news. But sometimes this can get us into trouble.

Ah, love! Asher Howell gives Kristie Smith a dip in the hall during lunch.

Revenge! Mrs. Folk tries to make Michael Smith be quiet.

Secrets! Cope Johnston surprises Holly Davenport by telling her the latest gossip.
