

# Patriots Endure Rebuilding Season

The Patriots, in a rebuilding season, came out on the bottom this year. In a streak of bad luck that lasted for the duration of the season, the boys' basketball team just couldn't seem to "get it together." The heartbreaking losses of one, two, and three points to the other team caused fans to cheer louder and hope harder. Rebounding seemed to be the main setback. In spite of quickness and agility, the small stature of the players worked against them. Even though this season has been a bad one we hope Coach Seneker and his team will have a better season next year.
