

Annual Published Despite Setbacks

DAVID CROSBY: Photographer
KELVIN MURDAUGH: Business Manager

Through much fun, many heartbreaks, and a few tears the second volume of the Heritage was published. The work involved in the publication of the yearbook requires a sense of creativity, involvement, and an enormous amount of skill. The staff was supplied with an unusual abundance of these qualities.

We all worked toward one common goal; creating an interesting and descriptive yearbook for you, the students. We hope this yearbook will preserve the memories of 1971-1972 at Ruffin High School.
