

What do we do for fun? Pep rallies help turn 500 young people into a cohesive student body. Each Friday during football season that RHS has a home game, the gym becomes the scene of cheers and wild abandon. Cheerleaders and football players provide the show that transforms into a dead-serious game by nightfall. The band warms up with "Hustle". Sporting white gloves, Mr. Bright directs half-time performances.

Club work absorbs many creative energies. Two publications, THE PATRIOT and THE HERITAGE, are outlets for the urge to write and design. The South Carolina Arts Commission includes RHS in art workshops and shows.

And the most fun? The trip to Florida and Disney World at Easter time.
