

1. Freshmen get into the spirit of things.
2. Being a girl is not the easiest thing to be.
3. Freshmen are not a camera-shy bunch.

**Being a Freshmen means doing a lot of new things. Choosing your own subjects and being initiated into clubs. Being a Freshmen is beginning to work toward getting 18 units and choosing between an academic and a general curriculum. But you never hear a Freshmen say "I wish I were in the eighth grade."**
