

Cheerleaders

This year the school spirit was lead by our cheerleaders. People don't realize how important these girls are. It takes a lot to get out on a field and try to keep the spirit going. Even when everybody else has given up hope, the cheerleaders keep holding on. So just don't look at them and forget about them. They have what it takes to make the tough get going!!!!

They are as follows: Top: Yvette Chisholm, Denise Roach, Stephanie Steward. Middle Row: Vida Walden (co-captain), Angela Aiken, Mattie Lingard, and Geraldine Roach (captain). Bottom: Kathy Gilbert.
