John W. Stephens,
Principal

The "rebirth" of the Ruffin High School "Patriot" is a joyful; yet solemn occasion. We, who have shared in nurturing, guiding, and sometimes strengthening the children who make up the RHS family, are elated at the industriousness and cooperative efforts in making this edition possible. Likewise, we already feel the loss of those whose final school moments are approaching.

In you, we have much to be proud and these hallways will forever be filled with pleasant memories.

Congratulations, to our 1989-90 Yearbook Staff. Because of you, "We are a Good School, Getting Better."
