

# Clubs & Organizations Dedication

*The Clubs and Organizations of Ruffin High have been a great asset to the school over the course of the year. The Sisters in Action donated slippers to the elderly of Colleton County while the chorus displayed their talents through songs. Our larger organizations such as the Student Council, Pre-Mate Club, RAID Team, and Talent Search represented our community across the state of South Carolina.*

*All members and participants, the deeds and generous amount of time you have given to help others may never be recorded in a history book. However, in those you helped it will always be remembered and appreciated.*
