The first day of school was a really good start for a lot of students. When I first came to my new school, I was kind of scared. I was a little afraid that finding my way around the new school would be hard. When I thought of coming to a new school, I was totally against it. "This school isn't so bad after all," I thought. It was hard to change schools, but it was ok. I saw a lot of new faces and a lot of the same faces. I made new friends and I knew most of my teachers from last year. As the year progressed, it started looking brighter. Besides, Ruffin has a football field and a gym. I would love to accomplish a lot of new things this year!
