

Christmas Program

This year our program was great. It was a time of joy for family, friends, and loved ones to share. Kids from every grade participated. Some sang, while others acted. We sang a wide variety of Christmas selections. The play opened with, "O Come All Ye Faithful" and ended with, "We Wish You a Merry Christmas." I was in the chorus and, from my view there were a lot of people. I think everyone enjoyed it. For a special instrumental break in the play, we played choir chimes, a guitar, and the keyboard. A story of baby Jesus was told while we sang. I enjoyed it and so did others.
