Ruffin Middle School

Principal Harry Jenkins

Dear Students,

What an outstanding year we have had. I have seen so many accomplishments among our students and staff that have been in academics and creativity. Our Ruffin Middle School family is truly a special group and as this school year comes to a close, I'd like to wish our graduating 8th graders best of luck in their future. You are leaving RMS with the knowledge that you will need to be successful adults in our world. To those who will be with us next year, we look forward to seeing you back in August, ready to make next year an even better year than this one!

Sincerely,
Mr. Jenkins

Dear Students,

This year has had so many great things happen. Many of you have shown excellent growth in your academics, testing skills and results, and general behavior. I have been able to get to know many of you through our conversations during recess. Many of you have shared your personal views about discipline, school rules, personal goal setting, adjusting to middle school routines, and personal issues during our talks. I have found that each of you is a very unique individual with your own goals set for your futures. To our 8th graders, I hope that you take the knowledge bestowed upon you while you were a student here at RMS and use it to become successful and productive citizens in our community. To those of you who will be returning, I look forward to seeing you next year, ready to make it an even better year than this one has been. Have a great summer!

Sincerely,
Dean Nettles
