Executive Committee

From the time it was formed until the present, our Parent-Teachers Association has been an important factor in the progress of Southwest. Always an active group, this year's organization proved no exception to the rule. The following excerpt from the report by the president, Mrs. Wm. H. Hamel gives ample proof of this statement.

"We had financial success from a card party, which enabled us to contribute to the purchase of a fan for the faculty room, earmark a sum for a much needed projector, assist in bus transportation for a football game, and give a June and January senior dance. We were also able to en-

roll the school in Junior Red Cross, support the Caroline B. Ulmann Student Loan Fund, donate to the St. Louis Parent-Teacher Scholarship Foundation, serve refreshments at all of our meetings, send representation to many civic affairs, send two delegates to State Convention in Kansas City, send a gift subscription of the National Parent-Teacher Magazine to a foreign country, and make our third contribution to the Brisbin Memorial Fund toward the purchase of Band Uniforms."

The *Roundup* congratulates the Association on this fine record.
