Coach: Mr. Close

Under the able direction of Mr. Close the netmen of Southwest finished in a tie for second place with the Rough Riders of Roosevelt. The team as a whole had a record of 19 wins and 11 losses.

The first singles spot was held down most capably by Gene Ziervogel. In the second and third positions, Tyler Hawk and James Nelson starred, each contributing greatly to the standings of Southwest's team. The brightest spot this year was the undefeated first doubles team, Art Ruff and Steve Bryant. The second doubles consisting of Ron Schowalter and Robert Pflueger did an outstanding job also.

The team alternates were Joe Frimmel, William Nelson, Dennis Potter, and Dick Gephardt. The outlook for next year is very bright, and Southwest's chances of winning the championship are good. There are always new prospects wanted though.
