“Dribble down the sidelines. Shoot from the floor, Come on, Southwest, raise that score.” This cheer was just one of the many that helped Southwest to beat Beaumont in one of the most exciting games of the season. As a result of this victory Beaumont’s winning streak was ended at 40 games in a row. This win gave Southwest a five and four record for the season. Not doing so well in non-league play, the steers accumulated a record of three wins and nine losses. We take comfort, however, in the knowledge that many of these nine defeats were by narrow margins.
