## Lettermen

The *Lettermens Club*, the purpose of which is to stimulate interest in athletic activities, is an honorary organization of the outstanding athletes of our school. It is composed of the players who, by their ability as well as team spirit and good sportsmanship, have earned an athletic letter. Anyone who has earned an athletic letter in any of the major sports, which include baseball, basketball, football, golf, tennis, and track, is eligible to become a member.

Some of the activities sponsored by the lettermen are the Father and Son Banquet; the Miss Southwest Dance, co-sponsored with the Student Council; and the Dip and Dance, which originated this year and was sponsored jointly with the *Cheerleaders Club*.
