Officials Club

Sponsor: Miss J. Mueller

A watch, a score pad, and a whistle!! These articles are put into use every Tuesday by members of the Officials Club, an outgrowth of the Leaders Club, which started in the new Southwest in 1937.

In the first club the enrollment was limited to those girls who were outstanding in performing athletic and gymnastic feats. Now, in the Officials Club, girls learn the rules of games, and how to apply them. In order to become a qualified official, you must also pass written tests.

This group meets on Fridays to discuss the rules of the game. On Tuesday they do their best to prove their skill while officiating at basketball and volleyball games.
