Did you know that in the past twenty years Southwest has won over thirty championships in various sports? Do you think that the teams could have done so well without the cheering students in the stands? The simple truth is that the cheerleaders helped Southwest win many championships; and,

to reach the second point of our analysis, if there weren't a Cheerleaders Club, there would not be any cheerleaders. Thus, we have made our point; the Cheerleaders Club is one of our most necessary athletic organizations.
