

French Club

Sponsor: Miss Ernst

“Parlez-vous francais?”

If you do, The Le Cercle Francais, is the one for you. This club, under the sponsorship of Miss Ernst, has met continually throughout Southwest's twenty years of progress, and now meets every other Wednesday in room 207. It is open to all pupils who are taking or have taken French. The time is spent chatting in French, singing folk songs, playing a games, and seeing films of gay, romantic France.

The officers of this club are Patricia Hill, President; Joan Lowry, Vice-President; Loretta McDonald, Secretary; and Marge Connelly, Treasurer. The purpose of this group is to stimulate interest in learning French better or, as they say in French, “Petit a petit, l'oiseau fait son nid.” The golden opportunity of enlarging French vocabulary and improving accent, as well as affording many pleasant hours, is in store for all who join.
