Southwest Junio

Service Club

Sponsor: Miss Mesloh

In 1939, when World War II was sweeping over the continent of Europe and the British Isles and was leaving death and destruction in its wake, a service club was formed at Southwest High School. Sponsored by Miss De Liniere and Miss Mesloh, this group worked in answer to the call of "Bundles for Britain." Time passed, and the war cloud spread to the United States. The club then became *The Junior Red Cross*, and its members worked valiantly to do their bit to win the war. This unit flourished and broadened its scope until, at the present time, it includes, besides the original club, a *Practical Arts* and a *Fine Arts* group.
