

The original service club, still sponsored by Miss Mesloh, has turned much of its attention to knitting. Many of its afghans have found their way to hospitals at home and abroad. This year another beautiful afghan has been sent on its way. The group in conjunction with the Student Council, also sponsors the yearly drive for over-seas Christmas boxes. This year the boxes numbered 146.

The Practical Arts organization, working as a class under the direction of Miss Milliken, has, as usual, been working diligently. This year the Junior Red Cross has received five baby dresses, eleven baby slips, seventeen wrapping blankets, eight bed-side bags, and sixteen stuffed toys.
