Special Service

(Fall)

All our students know about the Special Service club's work at our school. What they don't know is that this club, the great, great grand daddy of all our service groups, has been doing this work since the opening of Southwest. Sponsored in 1937 by Miss Pierce, it began to function immediately. After Miss Pierce's death in 1944, Miss Steffen took it over and continued the good work until 1947 when Mr. Brew became the sponsor.

*"When I'm not thank'd at all.
 I'm thanked enough.
 I've done my duty.
 And I've done no more."*

Henry Fielding
