

Its services are varied. We find its members in the hygiene and counselling offices, and in the supply room, where they have worked every year. A new type of work, however, has been added during the last two years. It is the duplicating service. Sponsored by Mrs. Sporich, this addition has proved to be a great boon to the teachers.

No group of students deserves more praise than these. They have done "yeoman service" throughout the years. Join them and help them serve Southwest.
