Projectionists

Sponsor: Mr. Schlinkmann

Are you nervous, run down, tired of the daily grind? Don't swallow a lot of bitter pills; just change to another kind of grind. Call in our Projectionists. A good picture will relieve that bored feeling. You'll learn something, too. Our Audio-Visual Department has been providing these sugar-coated pills since 1945. Dr. Schlinkmann guarantees them to relieve class-room monotony immediately.

Librarians

Do you need a good librarian? Take your pick. They'll be glad to check your books, help you find that illusive quotation, show you where to look for material for that theme. In fact, they'll make your library work a pleasure.

This brand new club, sponsored by our brand new librarian, Miss Boerjesson, was formed this fall. We're glad to give it an A-1 rating.
