Receptionists Club

Sponsor: Mr. Hatfield

Under the sponsorship of Mr. Zopf, our former Assistant Principal, this service club was formed in 1952. It is composed of students who have a two-fold purpose—to help the school, and to learn something of the ins-and-outs of office procedure. It has proved to be a great success along both lines.

This year's group is sponsored by Mr. Hatfield, our present Assistant Principal. The work is done under the direction of Miss Mueller, our attendance clerk. When we asked what these students did, we found their duties to be too varied to enumerate. It is sufficient to say it covers the gamut of general office work.
