## Freshmen

Pictured above are 150 Freshmen, our newest Southwesterners. Nineteen January groups have "Entered to Learn" before this one came along to be number twenty. Others before have had their programs torn, have waited for a non-existent elevator service to take them to the fourth floor, have run errands for the mighty seniors, and have listened to the tall-tales of the upper classmen. Other freshmen have looked with awe at our beautiful building for the first time and have dreamed of the day when they would sit proudly on the auditorium stage in caps and gowns. Although it always seems to be a long time to our Nujays, four years pass quickly, and soon this particular dream becomes a reality.
