

Who wouldn't enjoy *Drivers Training*?

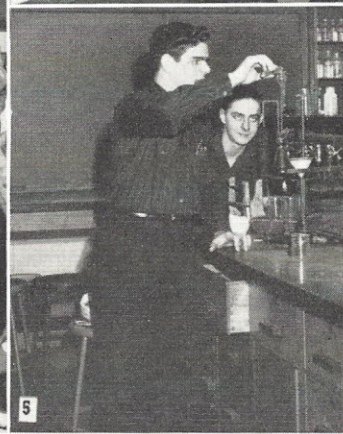

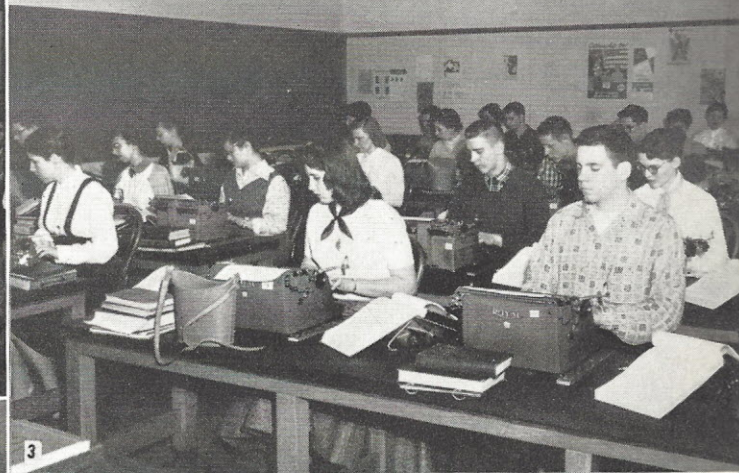

Enticing odors from the kitchen add zest to a lunch room study hall.

The concentration on these faces shows the interest students have in this subject.

Everybody likes *First Aid* except the victim.

5. *Chemistry* always intrigues some of our scientifically inclined boys .
6. *American Problems* students enjoy "Students-in-Industry Day" to the full-est extent.
7. Four of our canaries entertain at an auditorium session.

Studies Are Fun
