Dear Marsha,

I really can't think of much
to write except "hurry up" In
gym you are always rushing to
get ready on time. You know
you're almost as slow as me.
I hope I'm in your gym
class next term too.

Love

Dear Marsha,

Good luck always in what-
ever you may do. I appreciate you
asking me to fill in this space.
Always stay as sweet as you are.
Hope you'll always be in the same
adv. with me, if not, may we
always be friends? Love, ya!
