

# The Student Council

What gives a school its distinctive characteristics, its loyalty, its esprit de corps? Many organizations and individuals, of course, contribute, but the essence of a fine high school's cohesive spirit of achievement is the Student Council. Southwest's Student Council, under the inspired Guidance of Miss Corine Hachtman, has again this year epitomized the progress of the entire school.

From fall Hello Day to Spring Dance, the Student Council works to make Southwest tops in the city.
