

Sponsor: Miss Hachtman

The functions of a Student Council are manifold.

Primarily, this organization is the link between the student body on the one hand and the administration and faculty on the other. Besides this basic job, the Council, through its committees, effects a respect for school property, fosters school spirit, and sponsors dances and other galas, such as Hello Day, which enable the entire school to get together. Truly, our Student Council is the most vital single student group at Southwest.
