Cheerleaders

"Yea team, fight, fight, fight", such cheers as this lead our football team to its first city championship. Leading the cheers were our fine cheerleaders. To become a cheerleader, a girl must be a good citizen, a good student, and must be elected by the student body.

The cheerleaders perform at aud sessions, football games, basketball games, and at field day. Another duty of the cheerleaders is to train future cheerleaders in the cheerleaders club. Much of the credit for this fine group is due to the hard work of Miss Burgett. Congratulations are in order for the newly elected cheerleaders:

Captain Judy Baker
Jan Baldwin
Marge Connley
