The future gridiron greats of Southwest finished the 1957 season with a .500 percentage, winning four and losing four. Under the direction of Mr. Merchant and Mr. Ashley, these term 1 thru 4 boys learned the fundamentals of football while experiencing actual competition. Five boys are considered good prospects for next years varsity herd. They are: Backs Bill Grana, Fred Brinkop, and Mike Rigg and linemen Ken Finn and Dave Krajcovic. Finn and Krajcovic, this years captains, agree that our hardest game this year was with O'Fallon. Southwest won that one 13-6. Coach Merchant sums up the season this way, "The team didn't come along as fast as I had expected, but on the whole it was a fair season. I hope that some of the boys whom Mr. Ashley and I worked with will be able to help the varsity next year."
