

Southwest Needs You

Southwest High School is proud of its fine athletic department. The first floor trophy case and 'Hall of Fame' pay tribute to these championship teams: Baseball — 1941, 1943, 1947, 1949, 1951; Football — 1951, 1953; Tennis — 1942, 1943, 1951; Golf — 1955.

In the preceding pages read about our first city championship football team and our fourth squad of tennis champions, who captured a unprecedented 40 consecutive matches. You will read of our second place basketball team and of our track team, which captured the Open Division of the Maple-

wood Relays. Our baseball and golf teams are pictured here, along side the stories of our "B" sports. The Miss SW dance, the Lettermen's Club, and the Cheerleaders all occupy prominent positions in this record of the Southwest sports year.

Now, how about you? Are you represented here, in the story of Southwest heroes, and heroines? We at Southwest need more athletes. We need managers, cheerleaders, and most of all, fans! Southwest needs more school spirit. We need more enthusiastic support at games, meets, and matches. Remember, sports fans, Southwest needs YOU!
