Southwest Band

"Here comes the Band! The best in the land!" These words certainly apply to our famous Southwest Band under the direction of Mr. Libero Monachesi. Musical strains can be heard flowing out of the Band Room during A period when Monty raises his baton. Monty's music makers are not "confined to quarters." They can be heard at football games, pep aud sessions, the Spring Festival, the Band Benefit, the operetta, and other events.

A highlight of each semester is the Band Benefit. The sole purpose of this event is to raise money to purchase new uniforms for the members

of the Band, who have been using "hand-me-downs" for seventeen years.

Social events are not slighted by this group. They share in the gala annual Christmas party with the Orchestra in the cafeteria. Fun, prizes, and refreshments are enjoyed by all.

Outstanding members of our Band are the majorettes who add the finishing touches to the group. On warm spring and fall mornings they may be seen heading a melodic procession on the playing field in front of school.
