Advanced Chorus

Interested in singing? Let's see what Southwest has to offer. You will find a music group to suit you and period of the day. The first and seventh periods find us in Advanced Chorus. This group is composed of both boys and girls, semesters one through eight. Besides having no grade lower than a C, the only requirement is an interest in music.

The Advanced Chorus has been before the public in the operetta, the Christmas aud, the Spring Festival, and a special P. T. A. aud.
