

Junior Girls' Glee

Director: Miss Meyer

This group is now four years old, and each year sustains its reputation as a worthy addition to our Southwest music department. Most of these gleeful girls are freshmen and sophomores, but Miss Meyer welcomes juniors and seniors as well. Members of Jr. Girls' Glee progress to Girls' Glee and Choir after this musical incubation.

The members of this group join the other choral groups in operettas, Christmas programs, and Spring Festivals. These girls are welcome, hard-working members of our Southwest music family.

The Jr. Girls' Glee contributes to social as well as musical harmony with a semi-annual "get acquainted party" usually held at one of the girls' homes. They also join their colleagues in other music groups for extra-curricular convocation.
