"This year has been our busiest, yet the most satisfying and successful. We finally are seeing some results," commented Miss Funk, sponsor of the Photography Club.

This year marks the club's sixth anniversary, and through the efforts of the members, they have managed to equip their darkroom at SW. The activities of this group have covered a wide range. They have taken pictures for the American Can Co. Day, the Roundup, the Pioneer, the Operetta, and Hello Day auds. Besides "shooting" everything in sight they have visited a commercial studio to study the art of engraving.

Yes, the SW stage would be dull indeed without the flashes of the club members to brighten the dreariest day.
