The German Club members meet every other Thursday in room 211, at 3:15. They view movies, tell stories, learn poems and idioms and sing old German folk songs. These activities teach them the practical use of the language they learn during class time. This is the purpose of the club, and it is enjoyably achieved.

This year, with a new sponsor, Miss Ajango, the club has undertaken the publishing of a German newspaper (for members only). Writing to high school students in Germany is another new project started this year.

Flying from "Germany" in our supersonic space ship we head toward the NEW PAN AMERICA which is in the world of SW, room 211. The members meet every other Thursday under the direction of Miss McNamara, who gives her time and effort to make the club a success.

The most important social events that took place this year were the Christmas party, and the picnic given at the Whitehouse home.

If you're interested in Spanish, here is your chance to come and join with your fellow comrades in the world of songs, films, and fiestas.
