

Director: Miss Meenach

Recognized for their many talents, they have given plays for the Board of Education radio station, KSLH, and for different auds, especially the freshman auds, at the main planet, SW. Besides giving plays, they also devised clever schemes to advertise the Roundup Campaign.

Besides all the fun you have, this class enables you to achieve a successful future. Radio work furnishes a good background for future careers ranging from radar scanners to electrical technician's work in the towers for landing aircraft, and working at Radio and Television Stations.
