

# Receptionists' Club

The two clubs appearing on these facing pages are indispensable to the smooth functioning of Southwest. The members do not hear the applause of auditorium sessions, are not cheered by fans at the stadium, nor is their work tangibly fulfilled, as the Pioneer or Roundup staff's is. Yet they are invaluable, and deserve our complete appreciation.

The Receptionists' Club is headed by our assistant principal, Mr. Hatfield. The members are directed in their work by Miss Mueller, our attendance clerk.

What do they do? Everything and anything. Perhaps they should be given the appellation of "Gophers." If a teacher wants information from a distant room, these cheerful messengers "go fer" it. If the principals wish to see a student (seeking his advice for policy-making purposes, of course) they "go fer" him. In the course of a year the Receptionists' Club members put in more mileage than a cab company during a transit strike.

The Special Service Club is closely allied in function to the Receptionists. This group is spon-

sored by Mr. Mengersen from his headquarters in 202. Besides the guidance room, the Special Service people assist in the Hygiene Room. Their assistance is rendered, therefore, to the counselors, Mr. Mengersen, Mr. Glusenkamp, Mrs. Pfaff, and Mrs. Martyr; and to Dr. Miller and Miss Brennan. Since these people have occasion to consult almost every student during the course of a semester, the value of Special Service members is easily realized.
