

12th Graders Display Their New-Found Unity

Although small in size, the 1976 senior class was big on school spirit and unity. At various times during the year, seniors sponsored different activities and fund-raising drives. Magazine sales in cooperation with the juniors, senior class play, and Queen of Hearts all added money to the class treasury. Having met their goal, the seniors were able to take the annual class trip to Washington.

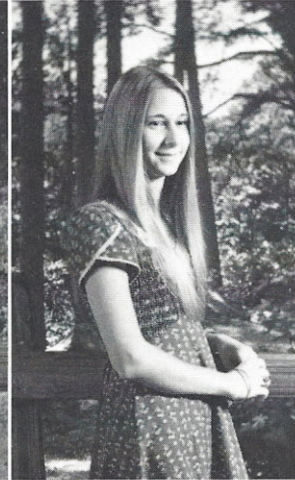

1. For extra credit points Sara Warren displays a Greek Mythology game.

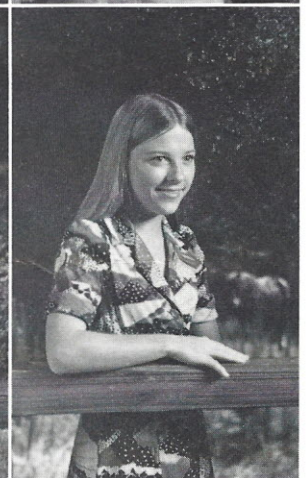

2. Senior class officers and Mrs. Pinner eat lunch while planning Queen of Hearts.
