

# Seniors Are Delegated More Responsibilities

Because they were the oldest students at W.H.A., the seniors were given more and larger responsibilities. Many students held higher ranking positions in student

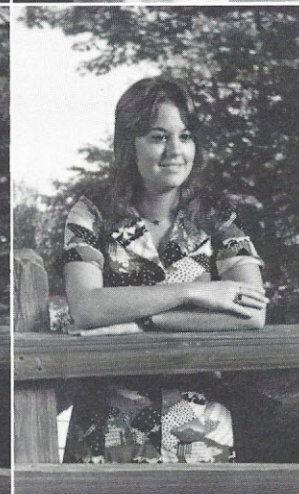

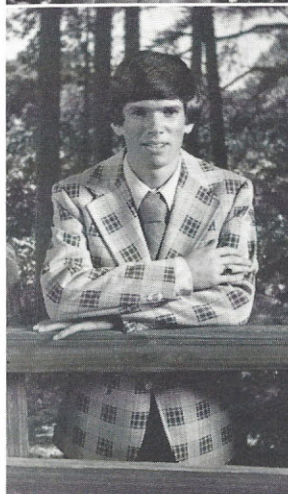

government, clubs, and teams, while others participated in such senior-run activities as the radio programs, the *Pierian*, and the *Rebel Yell*, the newspaper.

Not only given responsibilities, seniors were also granted more privileges. Class trips, a senior cut, eating inside, and a parking area were provided for 12th graders.
