

# Juniors Spend Year Increasing Treasury

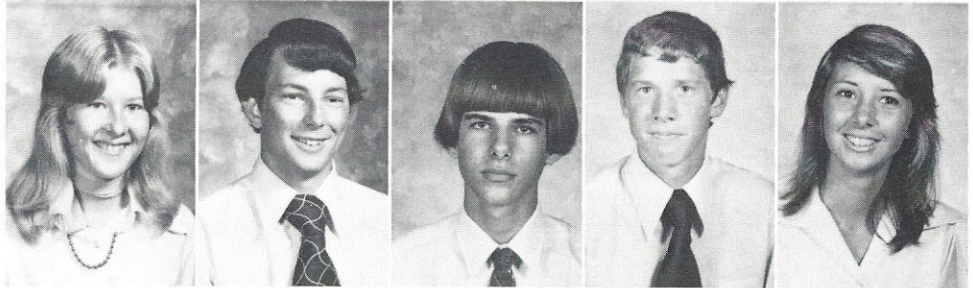

Money-making projects held top priority for the Junior class during the school year. September magazine sales and the Country Store added to their bank account.

Sports also played a major part in many of the Juniors' school lives. Wearing high school rings and taking a trip to Columbia made for an exciting year. Spring brought

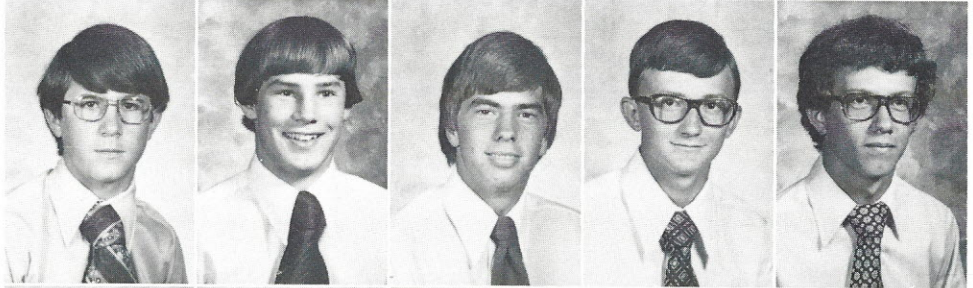

the Jr.-Sr., which highlighted the last days of the '75-'76 school year.

1. Wrapping up a sale, John King and Edsel Garrick load a Christmas tree.
