

# Involvement And Enthusiasm Characterize Seventh Graders

Seventh graders eagerly joined Upper School activities. Their enthusiasm at pep rallies added to the overall spirit. The annual trip to Charleston in September was one of the highpoints of their year.

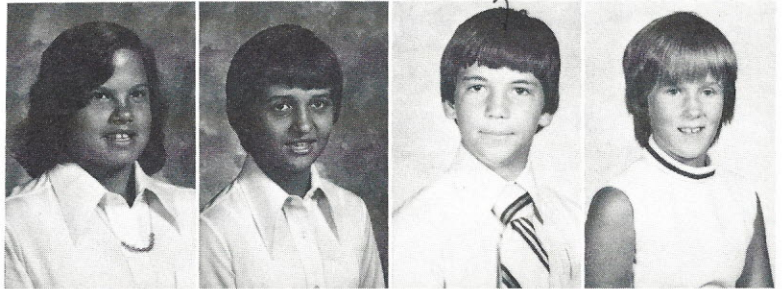

Seventh graders also actively participated in sports, on the newspaper staff, and in the Pep Club. Life Science, S. C. history, English, and math occupied the time of the seventh graders.

1. Manager David Cantley replenishes the water jug in preparation for half-time.
