

Bicentennial Theme Highlights Homecoming

Interested students put in many hours of hard work to make W.H.A.'s first Homecoming float. It was built with the Bicentennial theme of "Stars and Stripes Forever."

Thursday night, Sept. 25, the queen, maid of honor and two attendants were named. They received flowers and were presented on the float.

The Rebels went on to crush J. C. Calhoun 42-0. Homecoming festivities ended with a dance Friday.
