

Assortment Of Spring Events Ends The School Year

Spring marked the end of a very special period of hard work and shared experiences and events.

The third annual Science Fair gave science students a chance to show and receive prizes for a year of diligent research and study.

The chorus sang songs by their

favorite traditional composers.

The Upper School's final assembly honored students for outstanding work during the year.

Graduation marked the end of Lower School life and the beginning of a new stage in the Upper School for the former sixth graders.
