

# Junior Varsity Cheerleaders Perfect Motions

Excited screams and rhythmic chant-like songs could be heard from the spirited Junior Varsity cheerleaders throughout the 1975-1976 sports season. The cheerleaders gained experience at cheerleader camp last summer and put this experience to work cheering at

numerous J.V. football and basketball games as well as at several varsity games. Helping at W.H.A.'s cheerleader camp this fall and creating new formations and motions to cheers kept the J.V.'s busy. New uniforms highlighted the season and greatly improved their spirit.
